This diagram illustrates the assembly of the top rail (G18) onto the shelving unit. The rail is shown being positioned above the unit's frame, with callouts indicating the specific components and their assembly points. The rail is secured to the side panels using screws (24) and is supported by the top rail (G18) which is attached to the side panels using screws (24). The diagram also shows the rail being attached to the top rail (G18) using screws (24).
