The diagram shows a long, thin track labeled T29. A callout box labeled T33 provides a detailed view of the connector assembly. This assembly includes a small rectangular plate, a hex nut, a washer, and a bracket with a screw. The callout shows how these components are used to secure the track to a surface.

Technical drawing of a wardrobe assembly showing the installation of a top rail (T12) and shelves (G12) using screws (G36). A detailed inset shows the screw (G36) being inserted into a pre-drilled hole in the shelf (G12).
